INFO

J. R. Beaumier aka J. R. Exley is an extremely experienced composer and producer who has been working in the dance music area since the early 80s. From advertising and television music (Sony, Dunlopillo, Renault...) to pop records (Etienne Daho, Jean Louis Murat, Indochine), since the 90s J. R. has been busy remixing top artists (Silencers, Gypsy Kings, Peter Kingsbury, Indochine, Lambarena, Cerrone...) and produced the first French House Compilation in 1991 for Virgin Records. He also co-wrote 'Human Nature' with Cerrone which made an appearance high in the Billboard Dance Chart with mixes by David Morales and Frankie Knuckles. Now running his own studio in Clerkenwell, London, he is working together with James Reynolds (M People, Shamen, Beatmaster, Sasha...).
