Taco Gorter is one of the leading drummers/percussionists in the Netherlands. As a teacher and composer, Gorter inspired countless musicians. He has played throughout Europe with numerous wellknown national and international artists and is highly praised for his timing, sound, interpretation, versatility in styles and – most important – fun in playing.

"Thank you for purchasing our DVD. I hope it inspires you to produce great music and that you enjoy playing with me throughout this phenomenal Zero-G sample library. If you want to know more about me and my projects, check out my website at www.tacogorter.com

'Let's stay in touch!' See y'all". - Taco.
